EPC-France, a subsidiary of **EPC Group**, first created in 1894, now consists of about forty subsidiaries in twenty countries worldwide. The EPC Group, a pioneer in France in manufacturing and distributing industrial explosives, is one of the leading independent players in the core business of explosives and drilling and blasting in Europe, the Middle East and Africa.

From its beginning, **the EPC Group** has been committed to remaining in close proximity with its customers: geographically, technically and commercially. This commitment is demonstrated both by its global presence as well as by its development of innovative technologies; the acquisition of new businesses has strengthened its offer of a broad range of state-of-the-art products and services on the global marketplace.
