OUR COMMITMENT

Quality & Safety Policy an Prevention of Major Accidents EPC-France.

Customer satisfaction, personal safety and the prevention of major accidents are at the core of our business...

This common policy covers all aspects of **Quality, Safety and Environment** in all activities. It is in this spirit that our top management and our Terms & Directions delegates have undertaken the implementation and the maintenance of a process of continuous improvement, developing an integrated management system based o**n ISO 9001** for **Quality, ISO 14001 Environment, OSHAS 18001 and the Ministerial Decree of 10 May 2000 modified for Safety.**
